- ****Please Note!** If you have any propane consumption changes from prior years you will need to notify our office to adjust deliveries. This could be remodeling, turning heat up for the season, new renters, now heating a garage, or extra visits to a cabin, ect.
- Driveways must be plowed. If we can't get in driveway, delivery will be delayed until the following week when we are in your area next.
- **Contracts will not be accepted over the phone.**

Terms and Conditions:

- Contracts are locked in October 1, 2026 –April 29, 2027 and are only locked in for gallons purchased.
- **What does Price Protection mean?** If the market price is lower than your contract, you will be charged the lower of the two at delivery. End of the season, this will give you credit on your account.
- **All contracts must be paid in full by due date.** There is a minimum purchase of **250** gallons.
- Any **remaining gallons** at the end of the heating season will be rolled over into dollars and credited to your account on April 29, 2027. No refunds will be given.
- If remaining contracted gallons fall below 150 gallons, you must add gallons to receive another delivery, as there is a minimum 150 gallon delivery policy.
- Current credit on account will not automatically roll into pre-buy gallons. You must submit contract.
